

What Inspires You *Inspires Us.*

IAC is committed to excellence in interiors. As part of the IAC Group, we have more than 28,000 employees worldwide and global revenues exceeding \$5.4 billion, IAC is poised to become the industry leader, ensuring our clients are in touch with their customers' needs. IAC is driven by research, evaluation and measurement, turning our findings into components and solutions of the highest quality.

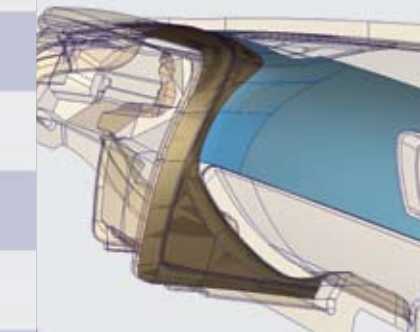

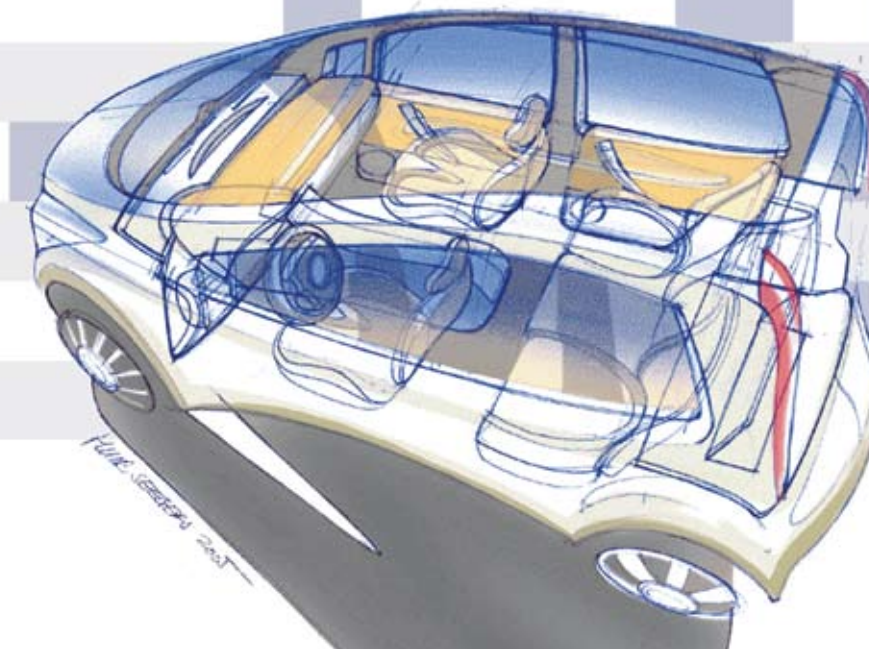

***Accelerate your future with the team at
International Automotive Components.***

Accelerate Your Future

Demanding Challenges. Unique Solutions. You in the Driver's Seat.

You want to make an impact. You want to be a part of a team that's setting the bar, evolving and nimble. International Automotive Components (IAC) is that team and we want you to be a part of our mission to be the leading supplier of components and solutions for automotive interiors.

We want your best. Every day. As a reward, you will work with the most talented professionals, influence our innovations and find your thumbprint all over the world.

IAC is setting trends and empowering our employees to think like entrepreneurs, make decisions and take risks. New approaches and ideas are everywhere, always with a focus on providing our customers global value with local execution.

We're different, and you'll notice right away, whether you're a seasoned professional or a recent graduate. With change ever-present in an industry that demands everything just-in-time, IAC operates at mach speed. We evolve at a pedal-to-the-metal pace. Are you ready?

Be a part of the challenge and reap the reward of helping to build a new leader in interior systems. IAC is solely focused on making vehicle interiors enhance the human driving experience. Our mission is simple: to deliver innovative automotive technology solutions for the global marketplace. We are committed to quality, offering cost-effective products and services. We are flexible, focused on providing global value with local execution to customers worldwide.

We want your best. Every day. As a reward, you will work with the most talented professionals, influence our innovations and find your thumbprint all over the world.

Be a part of the challenge and reap the reward of helping to build a new leader in interior systems.
